The Feast of Saint Christopher Magallanes

Dear St. Angela Families,

More great news from the Ohio Department of Education ~ St. Angela Merici School received the **Silver Buckeye Best Award 2009 from the Ohio Department of Education!** This award is based on a school's physical education/activity, nutrition education and tobacco education programs which exceeds our 2008 Bronze Buckeye Best Award. Congratulations to our Wellness Team for their support to student wellness!

Speaking of our wellness programs, **our annual Spring Olympics** will be held on Thursday (*grades 1 – 4*) and Friday (*grades 5 – 8*) next week, rain or shine. This event fosters physical activity and team work in a fun and engaging way. This year, our PTC is partnering with us to provide a healthy lunch for all students (*pizza, carrots and oranges for lunch with a frozen fruit treat at the end of the day*) – **thank you to our PTC for this special but healthy lunch and treat!** In the spirit of health and wellness, only healthy foods and drinks such as pretzels, fruit or veggies will be served to our students. Even though each student will receive a water bottle at lunch, it is recommended that each student bring a water bottle to Olympics (*of course, with their full name written on it*). Also, all students should apply sunscreen before school. Olympic volunteers must be at Lutheran West by 8:30 am, and homeroom parent volunteers must be at school by 8:00 am. If you have any questions, please contact Mrs. Strippoli at mrsstrippoli@samparish.org.

Congratulations to Emmy Ernst and Anthony Rangel for receiving the Schubert/Mendicino Award, which is awarded annually on the basis of Christian attitude, willingness to lead by example, scholastic achievement, as well as merit in athletics.

In Christ,

Mrs. Urban

Mrs. Denise Modic Urban, M.A.Ed.
