

Mrs. Jean Strippoli, B.A.

Physical Education, St. Angela Merici Parish School

Mrs. Jean Strippoli received her Bachelor of Arts degree from Benedictine College. She taught science and coached for six years at Bishop Miege High School, her Alma Mater, in Kansas City. After marrying, moving to four states, and having three children, she settled in Cleveland, and began a new career at St. Angela Merici in 2000.

At St. Angela Merici she has been instrumental in establishing the Allergy and Wellness policies, providing leadership to the Wellness Committee, as well as providing nutrition education, health, and safety programs and the annual Fun Run. As a result St. Angela Merici received honorable mention for the Stellar Award from the Ohio Department of Education. She has coached several sports in her community recreation program and volunteered in several board positions for her local soccer organization. She is site coordinator for the annual Avon Lake Father's Day Soccer Tournament.

Mrs. Strippoli is the mother of three adult children. She enjoys walking, water aerobics, reading and of course, cooking, cleaning and home maintenance.

Our mission is to promote a safe environment where students achieve the highest standards of academic excellence and to live our Roman Catholic faith in service to others.
