### **Procedure for the Alleged Victim**

- Communicate to the harasser that the individual expects the behavior to stop, if the individual is comfortable doing so. If the individual wants assistance communicating with the harasser, the individual should ask a teacher, counselor or principal to help.
- If the harassment does not stop, or the individual does not feel comfortable confronting the harasser, the individual should:
  - Tell a teacher, counselor or principal; and
  - Write down exactly what happened, keep a copy and give another copy to the teacher, counselor or principal including:
    - What, when and where it happened;
    - Who was involved;
    - Exactly what was said or what the harasser did;
    - Witnesses to the harassment;
    - What the student said or did, either at the time or later;
    - How the student felt; and
    - How the harasser responded.

### **Complaint Procedure**

St. Angela Merici School expects students and/or staff to immediately report incidents of bullying to the principal or his/her designee. Staff members are expected to immediately intervene when they see a bullying incident occur. “A school employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy if that person reports an incident of harassment, intimidation or bullying promptly in good faith and in compliance with the procedures specified in the policy.” (ODE Model Policy, Rev. 03, 05/14/07 #2.2.11.)

The principal upon receiving a complaint must notify parents or guardians of any student involved in a prohibited incident and must provide access to any written reports pertaining to the prohibited incident within the spirit of the Ohio Revised Code 3319.321 and the Family Educational Rights and Privacy Act of 1974 as amended.

The principal may appoint an investigator. The complainant completes an *Anti-Harassment/Bullying Complaint Form*. Any evidence of the harassment, including but not limited to letters, tapes and pictures should be turned over to the investigator. Each complaint of bullying should be promptly investigated. The investigator, with the approval of the principal, or the principal has the authority to initiate an investigation in the absence of a written complaint.

Any witness to the event is encouraged to complete an *Anti-Harassment/Bullying Witness Disclosure Form*. Information received during the investigation is kept confidential to the extent possible.

St. Angela Merici School prohibits retaliatory behavior against any complainant, witness or any participant in the complaint process. Any person who engages in bullying may be subject to disciplinary action up to and including expulsion.

### **Investigation Procedure**

It is imperative that harassment, intimidation, or bullying be identified only when the specific elements of the definition are met because the designation of such prohibited incidents carry special statutory obligations. However, misconduct by one student against another student, whether appropriately defined or not, will result in appropriate disciplinary consequences for the perpetrator.

In evaluating whether conduct constitutes harassment, intimidation or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was

communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

The investigator will reasonably and promptly commence the investigation upon receipt of the complaint. The investigator will interview the complainant and the alleged harasser. The alleged harasser may file a written statement in response to the complaint. The investigator may also interview witnesses as deemed appropriate.

Upon completion of the investigation, the investigator will make written findings and conclusions as to each allegation of harassment and report the findings and conclusions to the principal. The investigator will provide a copy of the findings of the investigation to the principal.

### **Resolution of the Complaint**

Following receipt of the investigator's report, the principal may investigate further, if deemed necessary, and make a determination of any appropriate additional steps that may include discipline. Prior to the determination of the appropriate remedial action, the principal may, at the principal's discretion, interview the complainant and the alleged harasser. The principal will file a written report closing the case and documenting any disciplinary action taken or any other action taken in response to the complaint. The complainant, the alleged harasser and the investigator will receive notice as to the conclusion of the investigation. The principal will maintain a log of information necessary to comply with Ohio Department of Education reporting procedures.
